CARE CART

compnow.com.au

Introducing the CompNow Care Cart - bringing the principles of ergonomics to your workplace to bolster your efficiency.

Made from easy-to-clean materials highly compatible with hospital environment hygiene, these carts move freely and quietly, providing you with a stable, mobile workstation and patient information at your fingertips. The patented "concealed cable system" technology provides for a tidy and uncluttered workspace, and the carts are designed to accommodate your budget & your personal IT equipment requirements.
