**SECTION 2:
POLICY TERMS & CONDITIONS**

About this Insurance

Summary of Cover

This policy is designed to provide cover for certain Accidental Damage to the Insured Device, which occurs anywhere in Australia during the Policy Term.

It also provides the following additional service: Toll free telephone technical assistance.

Only Mobile Phone devices may be covered under the Policy.

We determine whether to Repair, replace or pay You up to the Cover Amount in relation to the covered damage, less the relevant Excess.

The above is a summary only and you need to read the Policy to understand the full terms which apply to the cover.

Maximum Liability

The most We will pay during the Policy Term is two (2) times the Cover Amount shown in the Policy Schedule, less all excesses.

If we have paid the most we will pay for Accidental Damage, the cover under the policy ends.

Guaranteed Repair Period

If We agree to Repair the Insured Device, We aim to have the Repair completed within the minimum time practicable.

If You send the Insured Device to one of Our authorised repair/replacement agents and We accept it as a valid claim, and decide to Repair it, but it is not able to be Repaired and dispatched to You within the Guaranteed Repair Period set out below, We will offer to replace the Insured Device or pay You up to the Cover Amount.

- The Guaranteed Repair Period begins when Our repairer takes possession of the Insured Device to be Repaired and ends five business days after the repairer takes possession of it.

Accidental Damage Cover

If the Insured Device suffers Accidental Damage during the Policy Term which occurs in Australia, We will at Our option Repair or replace the Insured Device or pay up to the Cover Amount, subject to the applicable Excess and other Policy terms. If the Insured Device is Repaired, that Repair may be carried out using new or used parts. Any replacement parts will have the same functionality as the original parts. Under Accidental Damage cover, there are different settlement options We may choose at Our sole discretion (subject to and in accordance with the Policy terms):

OUR DECISION OPTIONS	THE SETTLEMENT
We decided to repair the Insured Device	We will repair the Insured Device subject to the applicable Excess being paid
The Insured Device is a Deemed Total Loss as we decided not to repair the Insured Device	We will either provide You with a Replacement Device or pay You the Cover Amount less the applicable Excess
The Insured Device is an Actual Total Loss	We will either provide You with a Replacement Device or pay You the Cover Amount less the applicable Excess

Replacement

If We elect to replace the Insured Device with a Replacement Device, it will be an identical device or, if an identical device is not available, a device with equivalent specifications to the Insured Device. The cost of replacement will not exceed the Original Purchase Price of the Insured Device. The Replacement Device We supply may have a lower selling price than the Insured Device. What will constitute a Replacement Device will be determined by Us at Our sole discretion based on a current item with equivalent specifications.

What constitutes a Replacement Device is not limited to the manufacturer's brand of the original Insured Device.

We will take account of availability and changes in technology in determining what a Replacement Device is.

If We agree to replace the Insured Device we will authorise our authorised repair/replacement agent to contact You within three business days to arrange a replacement product.

If We replace the Insured Device then the Insured Device so replaced will become Our property.

Option to replace or pay up to the Cover Amount

If We determine that the claim is valid and decide to Repair the Insured Device, We may at any time thereafter decide instead of Repairing, to replace the Insured Device or pay up to the Cover Amount.

Toll Free Telephone Technical Assistance

We will provide You with advice on technical problems in relation to the Insured Device during normal business hours (Monday to Friday 9am – 5pm AEST) during the Policy Term. You can access this benefit by telephoning our authorised representative: CompNow on Our Toll Free number in Australia: 1300 366 557.

This technical support is limited to advice in relation to technical problems with hardware or the software supplied with the Insured Device when it was purchased.

The advice You receive will be based on the latest technical knowledge available at the time, but will not include the engagement of other parties to carry out any work or conduct further testing.

Policy Term

Cover will commence on the date You purchase the Policy. Your cover will end when any of the following occurs:

- the Policy is cancelled (see section 'Cancellation' in this Policy);
- the Policy Term expires; or
- the Policy otherwise ends in accordance with the Policy terms or relevant law.

The premium payable for the Policy will be shown on Your Policy Schedule. When calculating the premium, the following factors, amongst others, are taken into consideration:

- the Policy Term selected;
- the type/model of the Insured Device; and
- the Policy Excess selected.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. GST) in relation to Your Policy.

These amounts are included in Your Policy Schedule as part of the total premium.

Excess

Your Excess as stated in the Policy Schedule, must be paid at the time We, or the authorised repair/replacement agent requests it, each time a claim is accepted and before the claim is finalised.

In the event of a cash settlement We may deduct the applicable Excess from any claim payment to You.

CLAIMS

Having Your property damaged is stressful. Our claims team is there to support You by guiding You through the claims process. If You do the following things We will be able to handle Your claim as quickly as possible.

Lodging a Claim

To lodge a claim, please contact Our Claims Agent CompNow:

By Phone: 1300 366 557

The Claims Process

What You Need to Do All Claims

For all claims You must:

- Take all reasonable precautions to prevent further damage to the Insured Device;
- Lodge Your claim within five business days of the incident occurring, unless we agree otherwise; and if Your claim is accepted under the Policy, You will be required to pay the Excess applicable as outlined in the Policy Schedule.

Accidental Damage

For all claims for Accidental Damage:

- Upon notification of a claim being lodged, You must give Us an opportunity to assess and inspect the damage to the Insured Device before We determine if it is a valid claim.
- We will arrange for this inspection On-site for locations within an 80km radius of metropolitan Adelaide, Brisbane, Melbourne, Perth and Sydney.
- For areas outside of these locations We will arrange for the collection and delivery of the Insured Device to Our

nearest repairer; or We will provide you with the packaging to send the Insured Device to Our nearest repairer to have the damage assessed. It is Your responsibility to take the damaged Insured Device to a Post Office if requested by Us.

- By sending the Insured Device to Our nearest repairer You agree that We may require the repairer to dismantle it or authorise Us to dismantle it, so We can assess the claim and/or decide if it is valid. We may refuse to assess or pay the claim if You do not agree to this.
- If We determine that the claimed damage is covered, We will settle the claim in accordance with the terms and conditions of the Policy (including the operation of any Excess).

Claims Examples

The following examples are designed to illustrate how a claim payment might typically be calculated and what amount You may be required to pay. The examples are for guidance purpose only, do not cover all scenarios and do not form part of the Policy terms and conditions.

Claim example 1:

Your Insured Device is damaged. The Cover Amount on the Policy Schedule is \$1,000 but the cost to Repair is \$950. This is the first claim made on the policy. We deem this to be uneconomical to Repair, it is therefore a Deemed Total Loss.

We will arrange for You to receive a Replacement Device. You will be required to pay the Excess noted on the Policy Schedule to Our authorised repair/ replacement agent.

Claims Example 2:

Your Insured Device is damaged. The cost to Repair the Insured Device is \$900. The Original Purchase Price of the Insured Device is \$800. Because the cost of Repairs is higher than the Original Purchase Price the Insured Device is an Actual Total Loss.

Our repairer will arrange for a Replacement Device to be sent to You. You will be required to pay the Excess noted on the Policy Schedule to Our authorised repair/ replacement agent.

Jurisdiction and choice of law

This Policy is governed by and construed in accordance with the law of the Commonwealth of Australia and You agree to submit to the exclusive jurisdiction of the courts of the State or Territory in which this Policy was issued. You agree that it is Your intention that this jurisdiction and choice of law clause applies.

Goods and Services Tax

All the benefits listed in this policy include GST. Any claim settlements, up to the sum insured, will include GST.

However the amount we are liable to pay will be reduced by any input tax credit you are entitled to (if you are entitled to an input tax credit, you must tell us the extent of your entitlement).

Other insurance

If any damage covered under Your Policy is covered under another insurance policy, You must give Us details of such insurance.

Where You would be covered under Your Policy for the relevant damage but another policy under which You are the contracting insured also covers (all or part of) the relevant damage, You can choose which policy(ies) to claim under.

Where You would be covered under Your Policy for the relevant damage but another policy covers You for all or part of the relevant damage, if You are not a contracting party under the other policy but have a right to claim under the other policy by operation of section 48 of the Insurance Contracts Act 1984 (Cth) or otherwise, We will not pay Your claim to the extent Your damage is covered by the other policy.

If You make a claim under another insurance policy and You are paid the full amount of Your claim, You cannot make a claim under this Policy.

If You make a claim under another insurance policy (or if another insurance policy does not cover the damage or loss) and You are not paid the full amount of Your claim, We will make up the difference where covered by Our Policy. We may seek contribution from Your other insurer. You must give Us any information or assistance We reasonably ask for to help Us make a claim from Your other insurer.

Subrogation

We may, at Our discretion, undertake in Your name and on Your behalf, control and settlement of proceedings for Our own benefit, to recover compensation or secure indemnity from any party in respect of anything covered by the Policy in the event that your claim under the Policy is accepted.

You are to assist and permit to be done, all acts and things as required by Us for the purpose of recovering compensation or securing indemnity from other parties to which We may become entitled or subrogated, upon Us settling Your claim under the Policy regardless of whether We have yet settled Your claim and whether or not the amount We pay You is less than full compensation for Your loss.
