

APPLE TEACHER WORKSHOP

APPS & IBOOKS PREREQUISITES

To ensure a smooth user experience and minimal downtime, it would be really helpful if you could read the following information and download the requested apps and resources, PRIOR TO ATTENDING.

Please bring your own iPad to the session, however if you don't have access to an iPad that allows you download apps etc, we will have small number of loan iPads available. It would be helpful for you to alert us prior to the event if you will be needing a loan iPad, but not absolutely necessary.

iPad Prerequisites

1. Ensure that you have details regarding your **Apple ID** and if possible, **please enrol in Apple Teacher** prior to attending the event: <https://appleteacher.apple.com>
2. If you DO NOT have an Apple ID, **please create one**: <https://appleid.apple.com/account#!&page=create>
3. **Update your iPad with latest iOS**
4. Ensure that all **FREE Apple suite apps** are installed on your iPad with the latest version:

iBooks Prerequisites

If possible, please download the **relevant iBooks** prior to attending event. **Please check carefully** that you are downloading the correct iBook for your iPad. To check which iOS you are running, go to Settings > General > About and look at which version is listed.

Download the relevant iBook version for your iPad's iOS:

Other Apple Education iBooks resources are optional to download:
