PURCHASES

### Enhance your end-user experience, using CompNow Kiosk.

Utilising best-in-class hardware solutions, we've developed an elegant solution combining the security of PC Locs cabinets and charging base, with the sophistication of CompNow deployment expertise. Increase the efficiency of your on-site staff by having the CompNow Kiosk do the work for you.

### Simple. Secure. Effective.

The Kiosk can be built into your network or existing app, or as a complete self-sufficient stand-alone unit. Manage one to 100 kiosks all from the single pane of glass. It can even be configured to speak to your existing active directory environment and MDM.

**Speak to your dedicated CompNow Account Manager for a demonstration and how to implement this solution into your institution.**
