

SALE & LEASEBACK OPTIONS

COMPNOW FINANCE

Free trapped capital in your business. Secure credit today, use it tomorrow.

CompNow have developed a finance strategy to assist you to put cash back into your business.

For customers who have made combined purchases of \$30k or more from CompNow or other IT providers, if it is within the last 12 months, we are offering to buy back those assets up to the full invoice value and then provide you with a line of credit for you to lease back the technology.

For any purchases older than 12 months, we can offer the same sale & leaseback at a reduced amount, value based on the assets purchased and age.

Establish a new line of credit today, with no up front fees or set up costs

We will help you set up a Master Rental Finance Agreement, including support

Up to 30% of soft costs can be financed

Stay ahead of technology obsolescence with a sale and lease back

CompNow finance is under written by one of the worlds largest banks

Flexible end of term options making your transition into new technology seamless

Contact CompNow to apply or discuss your Sale & Leaseback options.

Terms & Conditions apply. Subject to finance approval.
