CompNow Training Capabilities

As a Microsoft in Education Global Training Partner and Microsoft Innovative Educator Training Centre, we offer a range of sessions that cover Microsoft products and how to best implement them.

Microsoft training can be delivered online. We will tailor the sessions to your needs and work out a strategic training agenda that suits your requirements.

Office 365 Online & Desktop Apps

Use OneDrive & Office 365 online apps to share and collaborate, backup to the cloud and access from anywhere. Understanding the best use for OneDrive is the key first step in moving to the cloud.

Microsoft Teams

Microsoft Teams provides both a file & communication structure for documents, as well as communication via the cloud & multiple devices. File conversations & documents easily by subject, communicating directly with who you need.

OneNote

OneNote enable users to collect & collate information to stay organised. It sets creativity free in your own space, while enabling you to share your ideas with others to collaborate easily. Class Notes for Education training is also available.

To take advantage of this free training offer, contact your Account Manager at CompNow today on 1300 COMPNOW or sales@compnow.com.au

Terms & Conditions apply. Subject to proof of purchase. Subject to availability. Offer valid through to 30 September 2020.
