

Compnow Client Dashboards.

View your purchasing history, service jobs and more, **anytime you want.**

Approved customers can overview their support tickets and prepaid hour usage, as well as their purchase history and device trends in their organisation with our free comprehensive Client Dashboards.

Features

- Online, 24/7 self-service access to full history
- View purchase history including and open orders
- View all devices and assets within your organisation
- View any outstanding invoices
- View personalised price book (if applicable)
- See Compnow's latest news

More benefits

- Book in a repair job or view outstanding or closed jobs
- Log an engineering support ticket, or view outstanding or closed tickets
- Gain insight into your ticket analytics, where and who is logging tickets etc.
- See available prepaid support hours and balance of funds remaining
