Super Vertical Cargo - the **smarter** bag.™

## A rugged laptop carrying solution

Safeguard your school's investment with Ace. Designed with direct feedback from educators and district level IT professionals, we have built the ultimate protective bag for the K-12 classroom environment.

### Smarter Features

- » 360 degree impact protection – multi-layer construction, U-shaped design suspends laptop within the bag and encapsulates it in closed cell foam
- » Large external zippered organiser pocket with key clip for cables, charging brick, keys, pens, phone, etc.
- » Large clear slip pocket on back for holding and viewing class schedules and IDs
- » Water resistant 600D polyester main fabric with 1680D ballistic nylon base fabric provides extra durability in high-wear, abrasion areas
- » Customisable – designed to be easily branded with school or company branding
- » Padded carry handles deliver a comfortable carry to class or the office
- » Includes removable and adjustable shoulder strap
- » Reduced lead times available for education and institutional purchases
