

DUX
PLUS

DUX PLUS

collection features

smarter protection

MIL-SPEC TESTED

We don't simply test our products. We *TEST* our products. Dux earned its "best in class" distinction because the case exceeds stringent U.S. Department of Defense drop test standards.

BRAWNY BRACKET

Super protective, the polycarbonate and rubberised TPU bracket was designed for even the most accident prone among us

smarter organisation

CLEAR BACK PANEL

It's easy to customise your device with personal images, or simply let the beauty of it shine through. Plus, schools and businesses can effortlessly asset tag and scan a barcode.

smarter design

WATER RESISTANT

Think of it as having an umbrella or a wetsuit for your device. Our durable polyurethane cover wards off the occasional drip or spill and keeps your gear dry.

PATENTED MAGNETIC CLOSURE

This proprietary feature enables you to easily fold the case into the perfect typing or viewing position.

INSTANT ON/OFF COVER

When the cover is on it wakes up the device, and when it's off it puts it to sleep. You'll appreciate how it saves battery life.

APPLE PENCIL STORAGE

Featuring convenient integrated storage for your writing tool.

DUX PLUS

the **smarter** case - with Pencil wireless charging & storage

Best-in-class protection for your digital device

Tested to exceed U.S. Mil-Std 810G drop tests, the Dux Plus withstands the rigours of the classroom, work, or everyday environment. Dux Plus features integrated Apple Pencil wireless charging and storage, STM's patented magnetic closure, and translucent back for easy user customisation.

Smarter Features

- » Drop tested to meet the U.S. Military Spec 810G drop requirement
- » Designed to enable Apple Pencil wireless charging, while protecting your writing device
- » Super protective polycarbonate and rubberised TPU bracket for even the most accident prone among us
- » Translucent back allows for user customisation or easy asset tagging for schools and businesses
- » Built-in storage and protection for the Apple Pencil
- » Patented magnetic closure allows for easy folding for typing or viewing
- » Instant on/off cover wakes and turns the device off to save battery life
- » Durable and water resistant polyurethane cover to ward off occasional drips or spills
